What we do

- **Connecting** BA's accross the continent and beyond;
- **Researching** BA investment activity (for example with the EIF);
- **Lobbying** BA towards EU policy makers;
- **Professionalizing** BA practices and networks (via our projects);
- **Stimulate** cross-border investing (via the BAE Club);
- **Promoting Women Investing.**

This project is funded
by the European Union

The Early-Stage Investing Launchpad

- Tailor made capacity building programme for emerging business angel ecosystems;
 - Support for local actors;
 - Be part of a pan-European community of investors;
 - Webinars, workshops, investor dinners and study visits;
 - Access to Research & Knowledge centre.
- Great example: Business Angels Network Armenia
- **Join us for the next edition in 2021.**

Promoting Women Investing

- Women investing and access to finance for Women are one of the **biggest barriers** and **opportunities** to economic growth;
- BAE is the trusted partner of the European institutions for this topic
