35

Years of existence

Since 1984, EBN provides access to and connects a global partner network of executives, industry leaders and best-of-class innovators of all kinds.

175+

Dedicated members

Operating in over 29 countries, covering the full spectrum of innovation sectors, and collaborating for continuous improvement and more impact.

650+

Business experts

Committed to the development and growth of entrepreneurial innovator, providing high-quality services to startups, spin-offs and SMEs.

25,000+

Client companies

Receive support by our members. Benefiting from expertise and programmes critical to their growth.

At CEEI Asturias, we mean business.

We have a role to play and we act on it. Better yet, we try to get others to act with us. So that together we can create one big community of excellence, innovation, entrepreneurship, and impact.

Which happens exactly what being an EU|BIC is all about.

Cristina Fanjul, Director EU|BIC CEEI Asturias

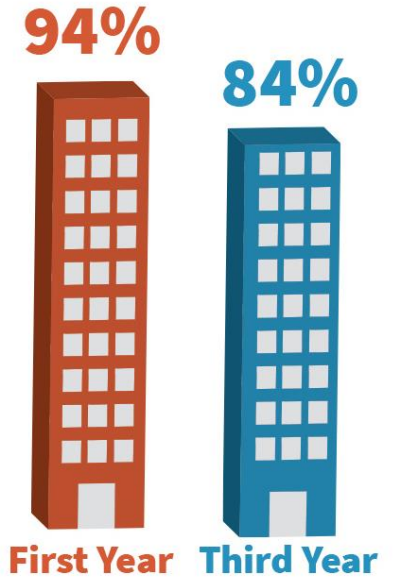

CERTIFIED MEMBERS (EU|BICs) TAKE REAL STEPS TO ENSURE THAT THEIR SERVICES ARE BEST ADVANTAGEOUS TO THEIR CLIENT AND THEIR REGIONS

MISSION COMMITMENT QUALITY BUSINESS SUPPORT

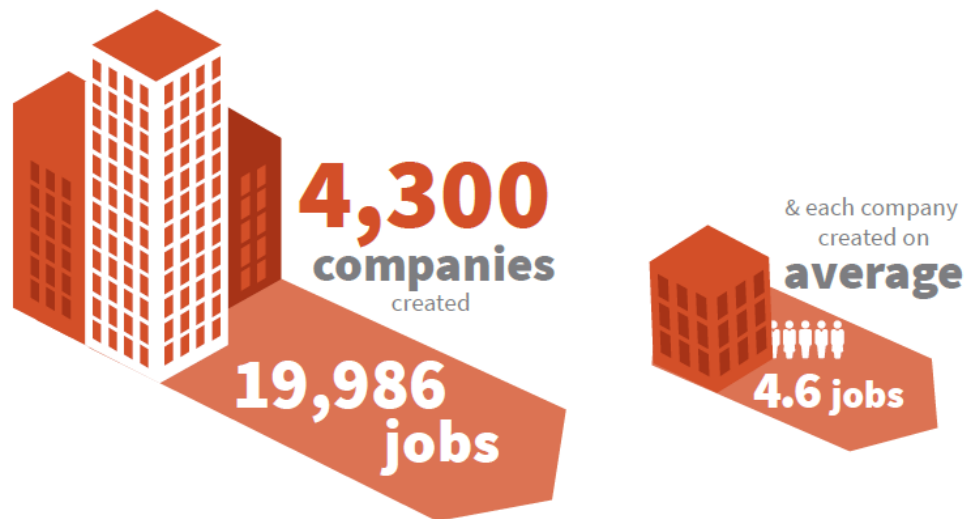

EBN uniquely grants the official EU|BIC certification to mission-aligned organisations as the only certification of quality recognised by the European Commission

Survival rates
after end of the support by an EU|BIC

BUSINESS INNOVATION AS THE KEY DRIVER FOR ECONOMIC DEVELOPMENT AND WELLBEING IN EUROPEAN REGIONS (AND BEYOND)

Top 3 sectors represented by EU|BICs for tech-solutions: Environment & Energy, Health, ICT

MISSION COMMITMENT REGIONAL ECONOMIC DEVELOPMENT

From its origins until today, we endeavour to build strong innovation networks that support the economic, social and sustainable development of European regions and cities.

OUR INTERNATIONAL NATURE IS ONE OF OUR GREATEST ASSETS TO BOLSTER THE EXPANSION POTENTIAL OF EUROPEAN STARTUPS, SCALEUPS AND INNOVATIVE SMES

MISSION COMMITMENT SCALING EUROPEAN INNOVATION

To reinforce Europe as a global leader in entrepreneurial research and innovation:

- we apply our understanding of the different needs of our client entrepreneurs throughout the various stages of growth
- leverage the support network so they can benefit from the same quality of support in any region they target for expansion.

INNOVATION IS
NOT JUST ABOUT
TECHNOLOGY.IT
IS ABOUT
SOCIETY, IDEAS,
AND PEOPLE

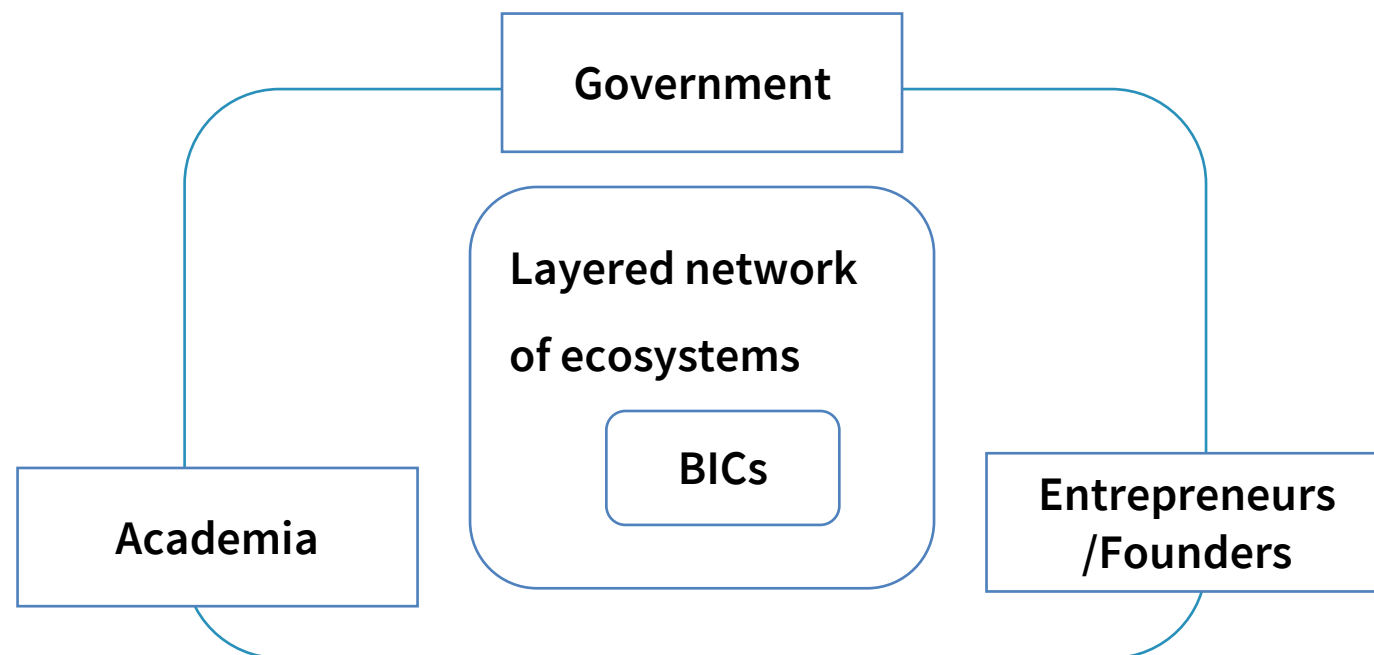

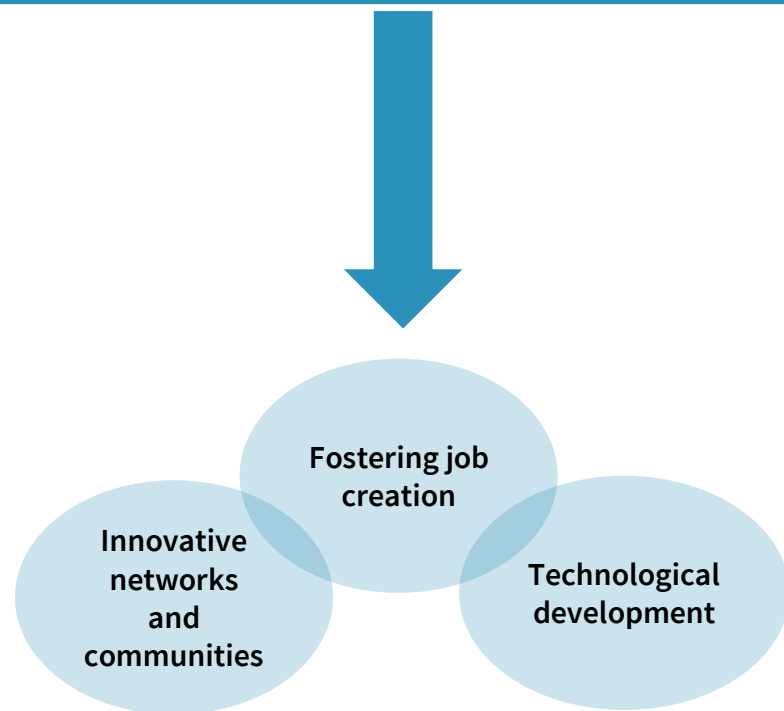

- Enhancing the role of business support organisations (incubators, innovation centres, STPs, development agencies, accelerator, DIHs...)
- Upskill trainers in delivering quality business support
- Stimulate the (local and international) innovation ecosystem
- Monitor activities, improve impact and deliver more value
- Certify with pride
- Engage with partners and build trust

Networking innovators and ecosystem actors

Providing startups/scaleups with the right skills and right environment to thrive

Foster cross-learning and best practices

ORGANISATIONS CERTIFY TO BUILD RELATIONSHIPS, IMPROVE IMPACT, AMPLIFY VOICE, AND ENGAGE PARTNERS
