

Growing and facilitating Lithuanian startup ecosystem

Roberta Rudokienė
Head of Startup Lithuania
October 2021

Startup Lithuania

- National startup ecosystem facilitator since 2012.
- A part of Enterprise Lithuania – an agency under the Ministry of Economy and Innovations.
- „Umbrella“ organization, aiming to connect different ecosystem players.

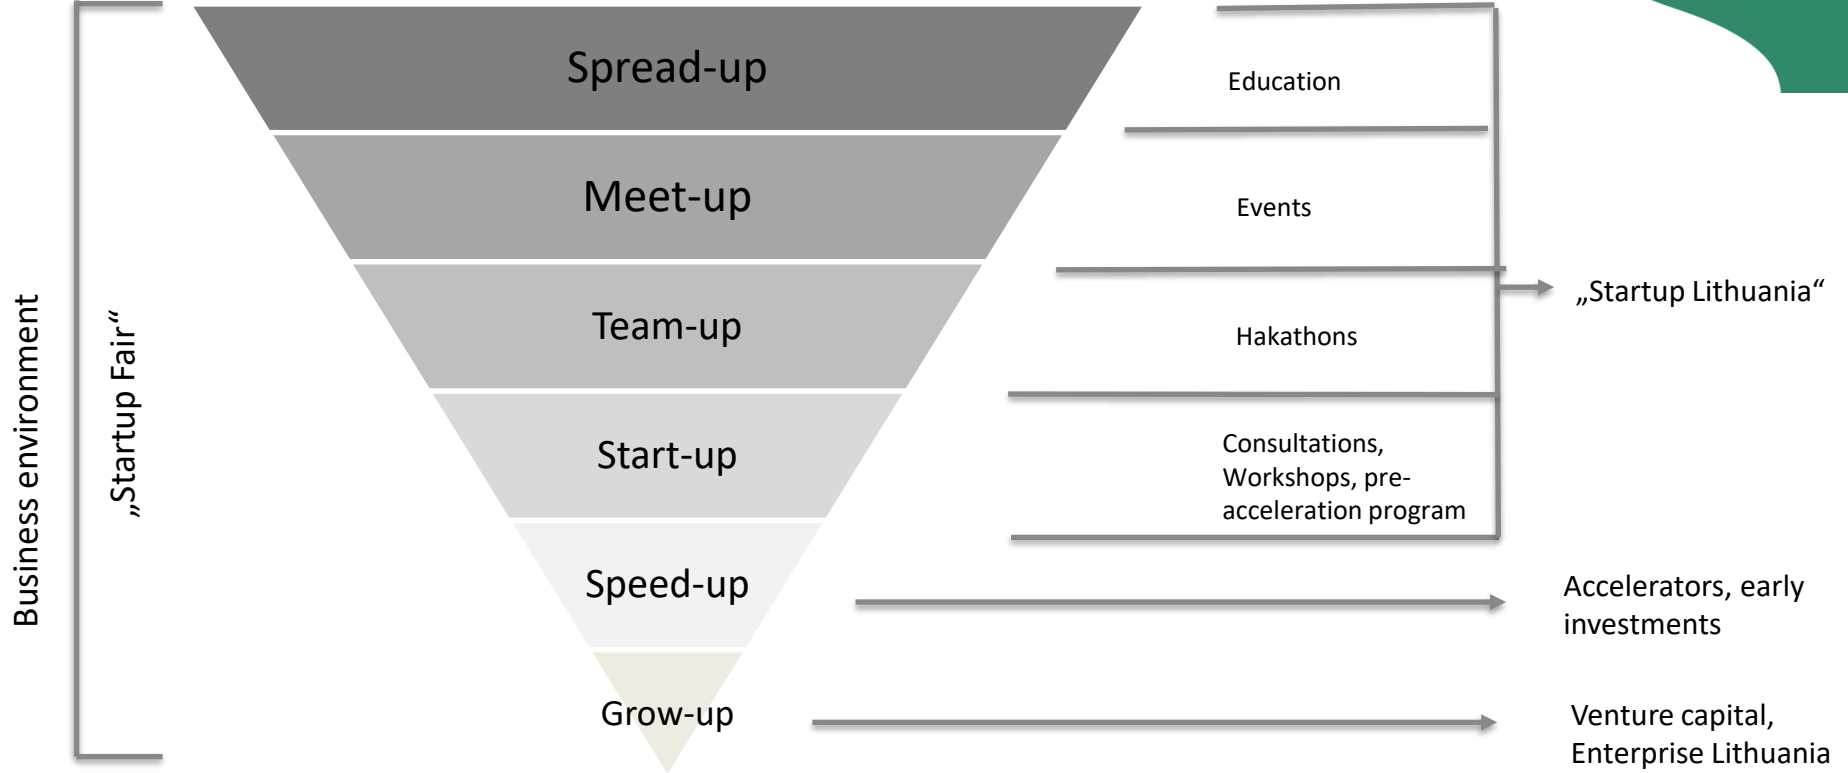

Main goal:

- To have more startups in Lithuania and to help them grow.

Main operating principles:

- Do those activities, that are not covered by the ecosystem itself.
- Enable and facilitate ecosystem players to foster the ecosystem themselves.
- Overlook and evaluate activities yearly based on the ecosystem's condition and needs.

Facilitating the ecosystem

+ Attracting foreign startups (Startup Visa, Startup Employee Visa, Co-creator Grant)
